

1. Get on to Doddle fast!

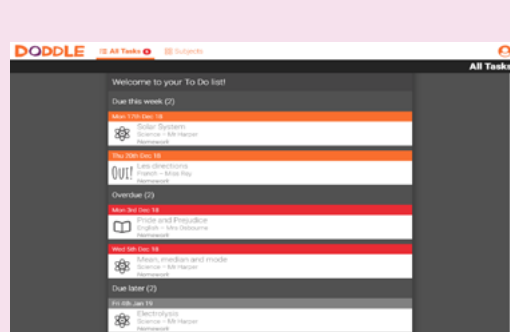

Save www.doddlelearn.co.uk/app/login as a favourite.

Enter your school name, username and password and click 'Log in'.

2. Choose your password

Once you've logged in, click on the icon in the top right corner and choose 'Change Password'. Make sure you choose something both memorable and secure.

3. Complete your homework

At home or in school – once you log in, you'll see your homework tasks in All Tasks. After you've opened a homework, you'll be given a choice between submitting it to your teacher or keeping the task in your to-do list to continue working on.

4. Want to improve your quiz score?

Just click on 'Submitted' in a subject area and you can take any quiz again.

5. Tell your teacher how you feel

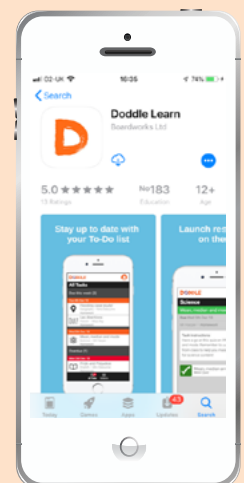

Rate your confidence on the resources by choosing a smiley face.

6. Get ahead with revision

If you need a reminder of any topics, don't wait for your teacher to set you homework! Head to 'Learn' to view presentations and revision resources to give yourself a helping hand.

7. Download the app!

Search on the Google Play Store or the App Store for 'Doddle Learn'. Click install and then log in as usual to access all your homework on the go!
